

**School Expenses 2005  
Senior School**

Photocopying	\$10.00	
Trips and Performances	\$50.00	Term 1 only. This is an estimated amount and should cover all the activities Rooms 5, 6, 10 will be involved in over the term.
School Fee (Donation)	\$200.00	(\$330.00 for 2 or more children)
Swimming	\$20.00	(Terms 1 and 4)
Technicraft	\$60.00	(Year 7/8 only) This is a contribution to the cost of Technicraft and is passed on to Mt Cook School.

The school, because of its location and philosophy, engages in many activities and attends a number of performances through the year. The \$50.00 we have charged should cover all those activities for Years 7-8 and a list of the activities and costs will be sent home at the end of the term. If there is a surplus, this will be deducted from the activity charge for Term 2. If we have under estimated the extra amount will be added to Term 2's charges. The amount we ask for will differ each term.

We hope, by treating our activity costs in this way, to reduce the time spent by our accounts department on reconciling small amounts of money and to give parents some certainty for the term.

This does not mean there will not be further requests for money for activities such as school camps or overnight trips and for team registration fees for a number of sports teams.

Payments can be made by cheque or cash to the office or, if you would prefer to spread the costs over the year, by automatic payment. An automatic payment form is enclosed. We are also quite happy to get payment on a term by term basis.

**Contact Details** (Please complete the form below and return it to the school office at your earliest convenience)

Please tick the box if your contact details remained the same

Please fill out the form below if your contact details have changed.
