

Thorndon School Policy on Administration (Legislation and Regulations)

Rationale

Thorndon School must comply with all general legislation and regulations which affect the operation of the School.

Purpose

To state how statutory requirements will be met.

Guidelines

- The School and Board of Trustees fulfils its statutory obligations under each of the National Administration Guidelines.
- The Board of Trustees will ensure that in reviewing the goals and objectives outlined in the school's charter and strategic plan each year, it will incorporate any changes that enhance the school's ability to meet its statutory obligations.
- The school has written management procedures that are actively practiced and regularly reviewed for compliance.
- The Board of Trustees will be consulted in the development and implementation of these procedures.
- Management procedures will comply with current legislation
